

Professional Profile

JIMMIE MOON

Maintenance Technician
Property Services Division

CURRENT RESPONSIBILITIES

Jimmie is responsible for day-to-day maintenance repair work with a focus on customer service for each client.

CAREER SUMMARY

Jimmie began his career serving an apprenticeship in the local electrical union. Thereafter, he worked for various industrial, commercial and residential contractors. Jimmie also worked as a subcontractor for Sheltering Arms and other prominent companies doing preventative maintenance and maintenance repairs. He also owned and operated Reliable Maintenance for three years where he performed various PM maintenance duties.
